

Type into
Text field

Submit text
with button or
"Enter"

The image shows a mobile application interface for a to-do list. At the top, the title "MY TODO LIST" is displayed in a stylized, bold font. Below the title is a horizontal bar containing a text input field with the placeholder "Item 1", a button labeled "Button", and a trash can icon. Below this bar is a list of six items, each labeled "Process". The bottom item in the list is highlighted in red and has a small 'x' icon next to the text, indicating it is the target for a delete action. Four yellow callout boxes with arrows point to specific elements: "Type into Text field" points to the input field; "Submit text with button or 'Enter'" points to the "Button"; "Delete Row (each row gets Icon)" points to the trash can icon; and "Doubleclick to strike thru (Alert Done)" points to the 'x' icon on the red item.

Doubleclick
to strike thru
(Alert Done)

Delete Row
(each row gets
Icon)
